Napster Group PLC

Executive Interview

Napster Group PLC announces that, Anthony Matchett, Group Chief Executive, has conducted an interview with Proactive Investors providing an update on the Group's plans for the new Napster music platform that is scheduled for launch later this year. This follows the investor presentation, with both Anthony Matchett and Steven Hancock, released on 14 April.

The interview can be found on <https://www.proactiveinvestors.co.uk/archives/video> as well as on the company's website <https://napster.group/presentation/>.
